

# Interfaith Youth Leadership Camp

## July 17-21, 2019

### Drake University

The Des Moines Area Religious Council and The Comparison Project are proud to co-host the third annual Interfaith Youth Leadership Camp.

20 high school students representing a diverse array of religious traditions and communities will spend five days and four nights at Drake University, learning about each other's religious beliefs and practices. Participants will create and share a digital story that expresses a personally meaningful faith experience, practice, or belief, visit religious communities in Greater Des Moines, and discuss with each other the principles and practices of interfaith leadership.

**Interfaith Youth Leaders will each receive an honorarium for their participation in the camp.**

*"Working with the campers transformed my understanding of interfaith dialogue. Reading about different faiths in AP World History was completely different from seeing real people for whom these traditions were living faiths. Although we held different beliefs, by the conclusion of the camp we had come to recognize the similarities that bind us."*

*J.J. Singh Kapur*
