

Iowa Interfaith Youth Leadership Camp

July 10-14, 2024

High school students and recent graduates representing a diverse array of religious and cultural traditions and communities spend five days and four nights at Drake University, learning about each other's religious beliefs and practices (or lack thereof) and religious and cultural diversity in Des Moines generally.

Participants create and share a digital story that expresses a personally meaningful faith experience, practice, or belief, visit religious communities in Greater Des Moines, and discuss with each other what interfaith leadership looks like.
